Dear Sir,

We are very much pleased to put on record that REL's entire team of engineers, supervisors, jointers, etc. did a wonderful job on the morning of Monday, 11th February, 2008 when 630 KVA transformer of Nanavati Hospital (s/s No.1) failed.

We were provided with a D.G. Set (630 KVA) by REL during the entire process of replacement of faulty transformer, XLPE cables, etc. A new transformer and crane were brought by afternoon by REL and entire job of restoration of the power supply was completed on the same night.

We would like to thank Reliance Energy Ltd. for taking utmost care and specially we appreciate the efforts taken by the following persons :

1. Mr. Mahesh Maykar (J.E)
2. Mr. Shigwan (J.E)
3. Mr. M.B. Chavan (Dy. Manager)
4. Mr. K.S. More (C.E)

We hope that in future also you will extend the same support and co-operation to us.

Thanking you once again.
