Subject: Appreciation towards the tasks completed

Respected Sir,

A Political and Social organization, **Janata Party** along with the **Residents** of Ghatkopar humbly thanks you and your organization. We are very much overwhelmed by the way your streetlight maintenance department has positively approached our requests/suggestions on improving the streetlights at many places in Ghatkopar. Now after the improvised arrangement there is a lot of light spread all around, gives a different look & spark to Ghatkopar altogether. This has helped a lot to the pedestrians & vehicle-users.

Especially, the following officials under your guidance & direction has rendered very keen interest & co-operation in solving many of the long pending public problems concerned with the streetlights, coordinating with the BMC officials.

These officers are:

1. **Mr. S.S. Kashyap** (Manager, E - Zone I)
2. **Mr. R.S. Chaphekar** (Deputy Manager, E - Zone I)
3. **Mr. P.N. Balgude** (Junior Engineer, E - Zone I)
4. **Mr. Divekar** (Junior Engineer, E - Zone I)
5. **Mr. Praful Jadhav** (Sub-Engineer, Electrical Dept., 'N' Ward, BMC)

Again **Janata Party & Residents** of Ghatkopar are thanking you for your helpful & effective efforts towards public interest.

Thanking You.

Yours truly,

Manoj Mehta
