Dear Sir,

On behalf of our Chairman and Managing Director, Mr Lalit Suri and the Management team, I like to take this opportunity to thank you for your generous support you have extended to InterContinental The Grand Mumbai during the recent torrential floodings.

Your temporary electrical panel was a fantastic help to enable us to bring this great hotel back to an operational standard in record time.

Thank you once again,

Kind regards,

Heiner Werdeling
Vice President & General Manager
