

*Dear Mr Ingawale,*

*My sincerest thanks to Mr D. Sukhtankar for providing Bhadran Nagar, Malad West, with an everlasting solution to our street light problems. From July 2006 till date the street lights have not blinked even for a 1 minute. This is a greatest relief and a quality service by REL.*

*I also thank you Mr U Ingawale for attending to a problem with a street light pole opposite Shri Ram Mandir, very very promptly and efficiently, when the same was brought to our notice last week. Your team attended it with jet speed.*

*Thanks once again and LONG LIVE RELIANCE ENERGY LTD.*
